1. INTRODUCTION ON LMS

Government of Odisha had developed the LMS (Litigation Management System) for facilitating the online monitoring, submission, viewing and attending of court cases where Government is a party. The LMS System is already implemented in all Departments of Govt. of Odisha and Advocate General Office across the State of Odisha since 20th July 2011.

The software application of LMS is developed in-house and implemented by Centre for Modernizing Government Initiative (CMGI). CMGI is Administrative Reform wing of Government of Odisha functioning under the General Administration & Public Grievance Department.

In the LMS software, a smart monitoring mechanism to manage court cases effectively is there where Govt. is a party. It also provides, end to end solution, to monitor Court Cases right from its inception stage till the post judgment processes. It keeps track of all pending, continuing and disposed off cases and allows the user as Govt. Employee to take actions online related to case matters as Submit PWC (Para Wise Comments), Request for appointment Submit Counter Affidavit, Submit Instructions, Request for appointment etc. It has many modules as Dashboard to view details of Courts and cases as civil, criminal cases, view cases where pwc and counter affidavit needs to be submitted, to view where final judgment, interim order and contempt case is uploaded, where personal appearance is required to me made by the govt. employee etc. Similarly, it has other modules as Case Communication where Inbox of all cases from Advocate General, office where pwc is required to be submitted etc. is there, where sent mail details to Office of Advocate General related to PWC submitted, Counter Affidavit and Instructions Submitted appears and where further action has to be taken from Govt. employee as user also appears on clicking on take action tab.

Then there are modules as State law officer's list with detailed information of

Advocate name, type, email id, whatsapp number, residence address, phone no. are available for benefits of users, similarly there are Nodal officer's module where details of the nodal officers of LMS of all departments with their contact numbers, email ids etc are available. Then there are court wise report module where login frequency details, and court wise details reports are generated for benefits of users where how many cases are original i.e newly filed, how many are revision cases, how many pwc submitted, how many counter affidavit submitted, no. of interim orders passed and final judgments given are uploaded.

2. LMS WEB PORTAL ADDRESS

The portal of LMS can be assessed through the web site address of <http://orissalms.in> as shown in figure 1.

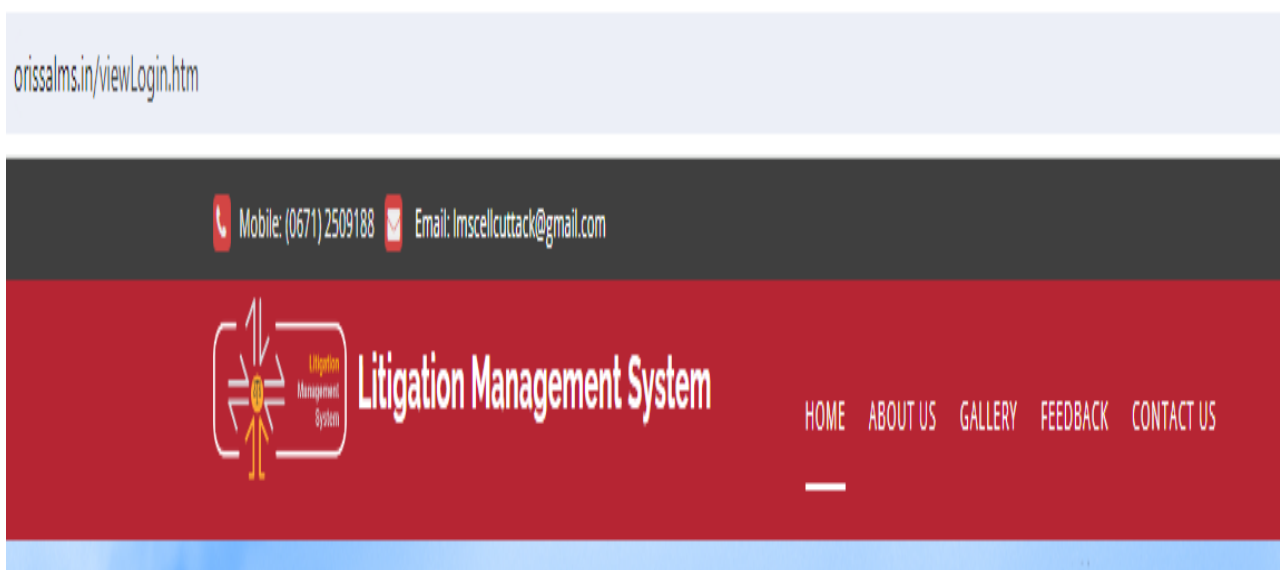

FIGURE 1

3. HOME PAGE OF LMS

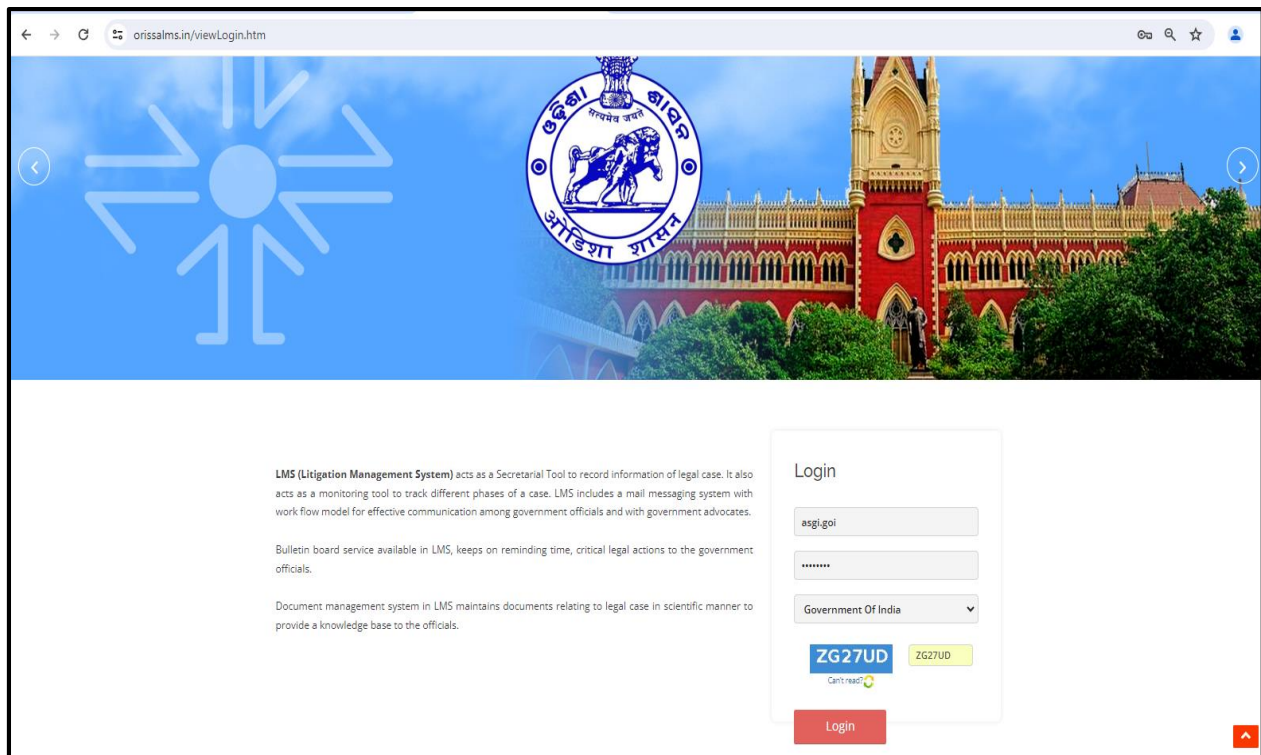

FIGURE 2

The Home page of Odisha LMS as shown in figure 2, shows the **login page**, a **small introduction on LMS SOFTWARE**, **Quick links** related to the court, **LMS inauguration speech**, **LMS online Manual** etc. and other important links as Supreme Court of India, Advocate General, Orissa, Orissa High Court etc., as can be seen in the figure above.

4. LOGIN PAGE OF LMS-

The login page of LMS consists of the following items as-

- User Id
- Password
- Type of User
- Captcha
- Login button.

LMS (Litigation Management System) acts as a Secretarial Tool to record information of legal case. It also acts as a monitoring tool to track different phases of a case. LMS includes a mail messaging system with work flow model for effective communication among government officials and with government advocates.

Bulletin board service available in LMS, keeps on reminding time, critical legal actions to the government officials.

Document management system in LMS maintains documents relating to legal case in scientific manner to provide a knowledge base to the officials.
